Find Or Notice

- A leaf with a smooth edge.
- A leaf with a toothed edge.
- Something that smells fresh.
- Something shaped like a circle.
- Something rough.
- Something soft.
- A bird sound.
- A sign of an animal.
- A seed, cone, or fruit.
- A shadow pattern.
- A tiny habitat.
- A place where water collects.
- Three different greens.
- A natural object smaller than your fingernail.
- A place where an insect might hide.

Reflect

- What surprised you?
- What did you want to touch but decided to leave in place?
- What would you like to look for next time?

Safety note: Do not touch unknown plants, fungi, nests, or animals. Wash hands after exploring.
